Guidelines & Expectations for Competition Dance Team Families - PLEASE READ!!!

- Commitment to your TND Team is for the entire season (June 2023 – Showcase 2024). Dancers who withdraw before the end of the season or who are not in financial good standing with TND will not be asked to audition for the next season.
- Make TND Team your extra-curricular priority! Continual absences and tardiness may result in the removal of the dancer from the Team. Team requires your full commitment in **classes** and **rehearsals** so all dancers are progressing in their skill set and prepared for each competition.
- Attendance at the required Summer Open Classes for your Team.
- Attendance at required Dance Camp Intensive for the summer of 2023.
- Attendance at all scheduled regional competitions during February-May 2024. *NOTE: Absence from attending a competition should be reserved for injury, illness, or family emergency.*
- All Team members should display an excellent attitude, exhibit an exemplary work ethic and desire to work to their full potential.
- Disruptive behavior of any kind will not be tolerated in the classroom, via social media, at competitions or performances. All dancers and their families are expected to respect one another and be supportive of their fellow dancers, TND Staff & choreographers. *NOTE: Our studio culture and vibe is something I've worked very hard to establish...TND is a positive and drama-free studio.*
- Parent commitment to keep all financial accounts current. When a financial concern arises, please contact Ms. April before delinquency occurs.
- Attendance at the **MANDATORY** beginning of the season Zoom & IN-Person Parent Meeting for all Teams on Thur 8/3 @ 7:00 pm.

I have read and understand the guidelines/expectations for Apprentice & Competition Team families. I will comply with the guidelines as indicated above and will communicate any issues or concerns to Ms. April when necessary. I look forward to a successful and positive experience for 2023-24.
