

2024-25 TND Challenge Class Information

One of your TND teachers has recommended your child for the Challenge Class @ TND for the upcoming season. This recommendation is based on your child's class attendance, ability and overall potential for growth. The class is held once a week and consists of gymnastics/tumbling, ballet, tap, and jazz. This is an *invitation-only* class and expectations for students in this class are higher than for a recreational class. An audition is NOT required for our Challenge Classes. Students in the Challenge Class will not participate in competitions and are only required to attend class once a week. Challenge Classes are the next step up from Recreational classes. Students should be committed to dance and enjoy taking classes. Although it's not mandatory, it's strongly encouraged that Challenge class students continue their training through the summer by participating in summer camps. Please consider this and review the summer camp info. If you would like to take the "Challenge" for 2024-25, please reply to this email and possibly attend the info meeting as outlined below. We will process your Challenge Class registration for 24-25 and any summer camps you would like to take. We'll promptly send you a confirmation & statement upon receipt of your registration.

NOTE: *Not all students in your child's class were recommended for the Challenge Class, so please be mindful of this and please do not openly share this with other students and/or parents.*

Parents who are interested in additional info concerning the next steps are invited to attend the Zoom or IN-Studio Parent Meeting for Challenge Classes.

Thur., May 16 @ 7:00 pm
