Orders are due by Thurs., Nov. 30. You have the option of ordering the complete make-up/eyelash package or you can order just the make-up package. All orders must be accompanied with payment in full. Packages cannot be broken and there are no returns. *If you do not wish to purchase your Competition Make-Up/Eyelashes from Tumble 'N Dance, please purchase the exact items listed below, from your favorite store.* The eye, cheek, and lip choices can be used for all ethnic skin tones.

NOTE: Dancers should wear foundation make-up (brand of their choice/skin type), one shade darker than their skin color. Please use a translucent loose powder to set make-up. Also, concealer should be used for under eyes and blemishes. It's highly recommended that you use an eye primer before applying your eye shadow. Recommended brands for eye primer are *Urban Decay* (pricey) or *NYX* (budget). Also, eye primer can be made using liquid concealer + dab of moisturizer. Instructional application video to come!
